What's new for the summer? The new **Mapping and GIS Resource** app at Columbia Association (CA). By using this mapping service, you can view/follow pool schedules, Adopt a Spot locations, CA projects, and a Brick and Bench finder. The most interesting and hopefully the most helpful will be the Pool Guide this summer. The app will display the activity level at all CA pools. Go to:

ColumbiaAssociation.org

Scroll down to the bottom of the homepage. You will see an icon that is labeled Mapping & GIS. Click on that icon and you will be taken to the Mapping & GIS resource webpage. Click on one of the choices and it will walk you through a short tutorial of how to use the app. You can bookmark this site on your phone or computer for quick and easy access.

After the pools close for the season, you can find play areas for your children, sports courts, and your local community center in your vicinity. Don't snooze on this wonderful app. Use it!

Just and FYI, this is not the same app as the CA gyms for classes and programs.

Covenants vs Guidelines

Covenants are legal documents pertaining to your property which are recorded with the County. The Covenants convey with the property. The Covenants are essentially "rules" that residents must follow and are specific to your Village.

Guidelines are just that, guidelines. The guidelines help our residents follow the Covenants. It digs down deeper into specific materials, location, color and style of a product that residents would like to place on their property. By following the guidelines, residents will most likely have an approvable application. Once a year, the RAC goes through our guidelines to update them.

If you have questions regarding our Covenants or Guidelines, please contact our Covenant Advisor, Anne McKissick at amckissick@dorseyssearch.org or call at 410-730-4005.

Village Guidelines may be found on our website at: <https://www.dorseyssearch.org/covenants>
Just click the Dorsey's Search Guideline button.

For those events requiring a ticket, tickets can be picked up at Linden Hall during regular business hours. For most events, there are a limited number of tickets available, so tickets are distributed on a first-come, first served basis. **No telephone reservations can be taken unless otherwise noted.** Tickets must be picked up in advance-there are no tickets available at the door, since caterers need an exact headcount before hand. **If you picked up free tickets and cannot attend an event, please return to the village office as soon as possible so you can be taken off the headcount and allow a wait-listed family to attend.** Staff may require ID in order to verify residency; please do not send children to pick up tickets, since they are not included on the resident list. Family or Children's events must have an adult accompanying a child. Tickets may still be available when the newsletter is being printed, but may be sold out before you receive your issue. Delilah Holmes' report to the Board of Directors June 2025

- Lakefront Live has officially kicked off for the 2025 season! There are so many amazing (and free!) events happening this summer. Be sure to check out the [events calendar](https://columbiaassociation.org/events/calendar) (<https://columbiaassociation.org/events/calendar>) so you don't miss anything!
- We had several guest presenters from Howard County DPW, Montgomery & Associates, MDOT, Ecotone, etc.
 - There will be some work done to stabilize sewer lines in Kings Contrivance
 - County crews look for where there are exposed sewer lines, because they are at risk of breaking and causing major problems.
 - The goal of this project is to fix and protect damaged sewer pipe casings and stabilize stream banks and beds.
 - The county also has a project to repair the sewer line at Lake Kit
 - Project will begin in September and will take about two months.
 - This sewer crosses under 29 and connects to the east side of the lake kit trail.
 - There will be temporary partial closure of the trail for the project.
 - Construction will be M-F 6:30-5pm (though they usually finish by 3:30)
 - A temporary bridge will be installed prior to construction to ensure sewer flows and to prevent overflows.
 - They will need to cut down 12 trees for the project.
 - Project does not impact pedestrian bridge over 29.
 - SHA stream work in Harper's Choice & Town Center
 - Minimally invasive project that will involve no tree removal
 - Mostly involves moving or adding tree trunks, rocks, etc.

Old Business

- We passed a sunset and review resolution so that we can dispose of obsolete policies.

New Business

- We discussed grant distribution. The board generally wants most of these funds to go to the Community Foundation. We discussed 20% being at the president's discretion.
- Shawn is looking into other options for resident speak out so that we can reduce the number of board meetings if there are not enough agenda items.
- We discussed making changes to the president's evaluation (the rubric needs work)

We discussed ethics violations and how our policy currently has no consequences for infractions. The board is interested in reviewing the charter, code of conduct, and ethics policies.

At the board operations committee meeting I attended on 6/5, I moved to add School Age Services to the July 24 board meeting. This motion passed, so we will be getting a report on the current status of the project as well as an understanding of the challenges CA faces with recruiting enough staff to meet the demand for the program. I encourage you to sign up for resident speak out to share your experience with trying to enroll your child in SAS, the impact of limited access to before/after school childcare on your family, etc.

Free Tree & Perennial giveaway

The Village and Columbia Association are working in unison to give away 100 trees and 200 perennials. To reserve your plants fill out the form below and submit the form by **July 30, 2025**.

Columbia Association will receive the list of residents who sign up for trees.

You do not have to reserve a tree to receive the perennials. If you would like just the perennials, you can indicate that on the form below. Forms may be returned to the office or email the completed form to **Anne McKissick—amckissick@dorseysearch.org**. This is a first come first serve basis. Only 1 free tree and 2 free perennials per property address. Please get your forms in early if you are interested in obtaining a tree and/or perennials.

All plants will be available for pick up on Friday, September 5 from 4–8:30pm at Linden Hall (4765 Dorsey Hall Drive, Ellicott City). The species of perennials will be determined at a later date. Please continue to read future newsletters for more information. Availability of plants is based on a first come, first serve basis.

Columbia Association—Sustainability Group, Dorsey Hall Garden Club, University of Maryland Extension, Master Gardeners will be on hand this evening to answer questions and provide information about their programs. Don't miss this opportunity.

Keep this part of the page for your calendar. If you are not in town, please email Anne the name of the person you designate as a pick up person for you. If you do not pick up your plants, we will have to give them away at the end of the event. Unfortunately, we cannot hold them at the office.

Note: Trees will be in a 3 gallon container and perennials will be a gallon and quart size container.
